

The Institute for Economic Empowerment of Women

The Institute for Economic Empowerment of Women (IEEW), started in 2006, is an Oklahoma City-based 501 (c)3 non-profit with a mission to empower women to grow their businesses, pursue greater entrepreneurial ventures and become more active public policy advocates. The Institute accomplishes this mission by focusing on education, mentorship and coaching global women who are seeking to acquire entrepreneurial skills to grow a business. IEEW works with a diverse network of mentors, corporate sponsors, and private donors to accomplish its work. Making a global impact for over a decade now, IEEW is building bridges to peace, one woman at a time.
